**REQUEST FOR CORRECTION OF FILING RECEIPT AND
SUBMISSION OF SUPPLEMENTAL DECLARATION**

Sir:

Upon review of the filing receipt sent by the United States Patent & Trademark Office to the Applicants concerning the instant application, an error was discovered in the section concerning claims to foreign priority. It is believed that this error was caused by the declaration being prepared and signed prior to the Applicants learning the serial number of the second foreign patent application to which priority was being claimed. A copy of the filing receipt with the changes noted thereon is enclosed. A corrected filing receipt is respectfully requested.

Additionally, also enclosed please find a supplemental declaration. This declaration lists the application number of all priority patent applications.

Your attention to this matter is greatly appreciated.

SUPPLEMENTAL CLAIM FOR FOREIGN PRIORITY

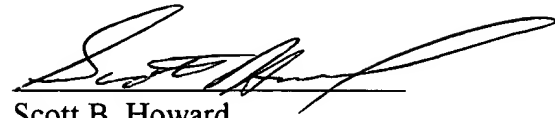

Sir:

On April 4, 1996, Applicants claimed priority under 35 U.S.C., Section 119 on the basis of Japanese Utility Model Application No. 6-017044 dated December 27, 1994 and Japanese Patent Application No. 7-329791 dated November 24, 1995. These applications are identified in Applicants' supplemental declaration filed herewith.

However, due to a typographical error, the date of the claim to priority of Japanese Utility Model Application No. 6-017044 was erroneously listed as December 27, 1996. Applicants respectfully request the correction of the claim to priority to the correct date. Certified copies of the priority documents have already been submitted.
